

Focus Group Recruitment

ARE YOU INTERESTED IN SHARING YOUR EXPERIENCES WITH THE MEDICAL MARIJUANA CERTIFICATION AND PURCHASING PROCESSES?

If so, join us for a focus group to tell us about your experience

What is this research study about?

Researchers from Thomas Jefferson University want to learn about individuals' experiences with obtaining certification for medical marijuana and in the dispensary. They will use this information to identify opportunities to improve the education provided to patients about medical marijuana.

What is involved?

- * You will complete a brief form with information about yourself, and participate in a one-hour focus group discussion. The group will have 8-12 participants and will be led by trained researchers.
- * You will receive payment for your participation

Who can participate? You may be eligible to take part if you:

- are 18 years or older
- are enrolled in the Pennsylvania Medical Marijuana Program
- agree to use marijuana obtained through a Pennsylvania dispensary

Where will the study take place? At the medical marijuana dispensary

Interested? Please call 215-955-5505 or email MMJstudy@Jefferson.edu for more info
